

EXECUTIVE FELLOWSHIP PROGRAM

2026

What's your next move?

The Digital Economist Executive Fellowship is an elite program designed for **visionary professionals committed to driving transformative change** and influencing global economic policies.

This highly exclusive fellowship integrates leaders into The Digital Economist Center of Excellence for a Human-Centered Global Economy, providing a platform for amplification and global impact.

Executive Fellowship Program
2026-27

Center of Excellence

ON HUMAN-CENTERED GLOBAL ECONOMY

The Digital Economist Center of Excellence for a Human-Centered Global Economy is dedicated to addressing the biggest challenges humankind and our planet face by leveraging digital technologies for good.

The Digital Economist Executive Fellowship invites senior leaders and decision-makers to join our Center of Excellence, providing them with a platform for amplification and global impact. This unprecedented, one-of-a-kind opportunity enables fellows to network and build relationships at the highest level, driving transformative change and innovation in the global digital economy.

Isn't it time for your impact to extend beyond?

Your greatest platform is
just a step away.
